As a Logged-in user, I want to reset my password so that I can use a new one for Starschiners web site.

Acceptance criteria

1: System user can reset password

Given I'm Logged-in user

When I reset a user's password

Then a new password can be created

2: System user reset password dialog is shown

Given I'm a logged-in user

When I enter a new password and click the "Schimba Parola" button

Then an error message will be shown if the password don't meet the minimum password strength.

3.System user does not match the “New password” field and “Re- entered Password”

Given I 'm a Logged-in user

When I entered differed passwords and click the “Schimba Parola” button

Then the system show me an error alert "Parola introdusă pentru confirmare nu corespunde cu cea introdusă inițial".
